TOURIST DESTINATIONS

Top Places In Port Blair

Cellular Jail

It is one of the most famous and important places in Port Blair. This jail is a silent witness to the British atrocities on the Indian freedom fighters. The story of the life, hardships and sacrifices of the prisoners is told here. Every evening, a "Light and Sound Show" is held, which is very popular with tourists.

Ross Island or Netaji Subhash Chandra Bose Dweep

It is an island located a short distance of 10 minutes by ferry from Port Blair. It was the administrative center of Andaman during the British period. Here you can see various ruins built by the British, such as a church, a zoo, a hospital, etc., which remind you of the colonial history of the island,

Japanese Bunkers

During World War II, the Japanese occupied the Andamans. Some of the Japanese bunkers from that time can still be seen in various places in Port Blair. You can visit all the places if you want.

Top Places In Havelock Island

Radhanagar Beach

Radhanagar Beach is considered one of the best beaches not only in Havelock but also in Asia. It has milky white sand, clear blue-green waters, and postcard-perfect sunsets. It is an ideal place for those who want to enjoy the serene beauty of nature, spend moments of love, or capture the perfect photograph. Whether it is for a walk, meditation, or just sitting in silence, this beach offers a unique experience.

Elephant Beach

If you love to explore the underwater world, then Elephant Beach is your dream destination. This beach is famous for its thrilling water sports like scuba diving, snorkeling, sea walks, jet skiing and kayaking. The coral reef here is very close and the underwater biodiversity is amazing. It is an ideal destination for those who love adventure or want to try water sports for the first time. Moreover, the dense jungle surrounding the beach and the peaceful environment make it even more attractive.

Kalapathar Beach

Kalapathar Beach is a quiet gem of Havelock Island, ideal for peace-loving travelers. The specialty of this beach is its black rock formations scattered among the golden sand, which creates a unique natural beauty. It is relatively less crowded, so it is a perfect destination for those who want to spend time in solitude and close to nature, away from the hustle and bustle of the city. It is difficult to find a better place in Havelock to watch the sunrise, walk by the sea or just sit quietly.

TOURIST DESTINATIONS

MAYABUNDER

Top Places In Mayabunder

Mayabunder

Mayabunder is a quiet and peaceful place in Andaman, where nature and the sea coexist. The best time to visit this place is from October to April. During this time, the weather is beautiful, sunny and dry, which is perfect for walking and spending time on the beach. Especially from November to February, the weather is cool (20-28 degrees), and it is during this time that turtles lay their eggs at Karmatang Beach, which is a very wonderful experience. During the rainy season, that is, from June to September, there is more rain and the sea is rough, so it is better not to travel during this time.

DIGLIPUR ISLAND

Top Places In Diglipur Island

Diglipur Island

November to March is the best time to visit Diglipur Island. The weather is cool, comfortable and the sky is clear, which is perfect for exploring. You can visit beautiful islands like Ross and Smith, trek to Saddle Peak, and visit Kalipur and Ramnagar beaches to see the giant turtles laying eggs, which are only seen in winter. Besides, mud volcanoes, caves, boat trips and the serene atmosphere of the beaches all combine to make Diglipur a dream destination for nature and adventure lovers.

LONG ISLAND

Top Places In Long Island

Lalaji Bay Beach

Lalaji Bay Beach is one of the most peaceful and secluded beaches in Andaman. It is a great place for those who love to relax. The white sand, blue clear water and the serene environment here create a mesmerizing atmosphere. There is no crowd here, you can quietly feel the glimpse of nature. You can come here with family or friends.

TOURIST DESTINATIONS

LONG ISLAND

Guitar Island

There are many opinions about the name of Guitar Island, but in reality, the shape of this island looks like a guitar, so it may have been named Guitar Island. You can spend a good time with your family here, the environment here is calm, quiet, which is absolutely ideal for couples. You can capture the scene here with your private photoshoot and media, which will make you remember this place for the rest of your life.

Mangrove Forests

If you are keen on kayaking or boating, then you can fulfill that desire through the Mangrove Forest. Kayaking or boating adventure through the deep green mangroves in this place is truly a unique experience. Along with this, this place, which is rich in biodiversity, is a wonderful destination for environmental and adventure lovers, if you visit Long Island in Andaman, you can enjoy the fun of this place.
